More Announcements

-Please help Catholic Charities feed the hungry by volunteering to glean crops on a One Day Mission trip to the northern neck of Virginia. "Gleaning" is the traditional biblical practice of gathering crops that would otherwise be left to rot in the fields or be plowed under after harvest. The freshly gleaned produce will be transported back to Catholic Charities' St. Lucy Project Food Warehouse and given to those in need. Mission trips will be offered on the first Saturday of each month through November and are a great service project for church groups, families, book clubs and confirmation students (with parental supervision). To sign up for a trip, visit <https://tinyurl.com/farmgleaning2020>. For more information, please contact Commissioned by Christ Farm Gleaning Mission Trip Volunteer Coordinator, Tom Pedagno at tcp167@verizon.net.

-"Truly, you are the Son of God." Believe in all that Jesus says. Place your marriage in His hands by attending the next Worldwide Marriage Encounter Experience on Sep 18-20, 2020 in FAIRFAX, VA. Spiritual Adoption of an Unborn Child

SEVENTH MONTH DEVELOPING BABY: You're in the home stretch with your spiritually adopted baby. He/She is completely formed, and has been since 8 weeks. All he/she is doing now is gaining weight, and making his/her mother uncomfortable with his/her size. Mom, however, is not worried now. In a short time, her baby will be born. She has planned to bring him/her home, or to place him/her for adoption. Either way, she knows she can receive the assistance she needs from the Catholic Church and from the crisis pregnancy centers. Your baby's mother appreciates the prayers you have said for her and her baby throughout the pregnancy. It hasn't been easy, but your prayers have helped to give her grace to seek the help she needs.

Pastor's Piece

Dear Folks,

Most have probably heard of the seven deadly sins and that among them is the sin of anger. A thing that I always like to harp on is that it is the action of anger that is being spoken of here and not the feeling. When someone wrongs us, the emotion of anger will almost always snap right into us. The part that is sinful then is what we do with it. If we use it as an excuse to snap out, sin. If we stew upon it, sin. If we develop sensitivity so that even little things set us off, sin. But if we work on it with the grace that God provides we are actually able to develop and build the virtues of patience and long-suffering. May we trust in God to give ultimate justice as well as to carry us through the crosses we face in a given moment.

God bless!

-Fr. Beres
