Pastor's Piece

Dear Folks,

Ugh! We have to pay our taxes says the Lord in this Sunday's Gospel! One thing to be aware of in terms of paying taxes is that it certainly is permissible to use every exemption and tool of finance to pay the minimum allowed by law. We also need not have scruples, that is any real worries, about getting our taxes incorrect. Unfortunately, the regulations involved are mountainous and it is unreasonable to expect the average citizen to know all those laws involved or to have to hire a professional in order to do it. Do your best and then you can be at peace with the Lord. Now, you may want to hire a tax lawyer for the sake of not getting in trouble with the government, but an honest effort will be recognized by the Lord.

God bless,

-Fr. Beres
