## The Dogmas of the Catholic Church *5 of the 255 Infallibly Declared Dogmas*

- 26) God knows all real things in the past, the present and the future
- 27) By knowledge of vision (scientia visionis) God also foresees the free acts of the rational creatures with infallible certainty.
- 28) God's Divine will is infinite.
- 29) God loves Himself of necessity, but loves and wills the creation of extra-Divine things, on the other hand, with freedom.
- 30) God is almighty.

## Legion of Mary

"We do not hesitate to affirm again publicly that we put great confidence in the Holy Rosary for the healing of evils which afflict our times." (Pope Pius XII) There are numerous historical events in different countries which have had good results because people were praying the rosary. Join us as the Legion of Mary begins its weekly meetings with the rosary at noon in the CCD room off of the Father Albert parish hall kitchen!

## Pastor's Piece

**Dear Folks,**

One of the Saints said love and then do what you will. That is of course easy enough in the abstract. Problem is when we have the concrete person in front of us who we find annoying or troublesome. It is also not easy when we are tired or cranky. May the Lord give us the strength to remember in those moments to love God and neighbor.

God bless,  
-Fr. Beres
