The Dogmas of the Catholic Church *5 of the 255 Infallibly Declared Dogmas*

36) The Divine Persons, not the Divine Nature, are the subject of the Internal Divine processions (in the active and in the passive sense).

37) The Second Divine Person proceeds from the First Divine Person by Generation, and therefore is related to Him as Son to a Father.

38) The Holy Ghost proceeds from the Father and from the Son as from a Single Principle through a Single Spiration.

39) The Holy Ghost does not proceed through generation but through spiration.

40) The Relations in God are really identical with the Divine Nature.

The Eighth Commandment of God

Thou shalt not bear false witness against thy neighbor.

November is the ninth month that we have been praying for our spiritually adopted baby who will be born sometime in the next few weeks. As a result, there will be a baby shower next weekend at church. Please bring an unwrapped baby gift or make a donation to one of the three pregnancy centers around our area--Warrenton, Front Royal and Culpeper. Thank you for all your prayers for your unborn adopted baby and his/her parents!

Pastor's Piece

Dear Folks,

Saint Paul speaks of those who have died as having fallen asleep. This was not to indicate that they are unable to act with their intellect and will as those who are asleep are. Although they are in a very awkward state of not having their body, they certainly can know and love. Saint Paul refers to death as sleep to point to the certainty of them rising. People take naps and go to bed for the night all the time and except for when it is the time of their death they wake up. The dead will rise again. We anxiously await for this to happen.

God bless,
-Fr. Beres
