### Spiritual Adoption of an Unborn Child

**SEVENTH MONTH DEVELOPING BABY:** You're in the home stretch with your spiritually adopted baby. He/She is completely formed, and has been since 8 weeks. All he/she is doing now is gaining weight, and making his/her mother uncomfortable with his/her size. Mom, however, is not worried now. In a short time, her baby will be born. She has planned to bring him/her home, or to place him/her for adoption. Either way, she knows she can receive the assistance she needs from the Catholic Church and from the crisis pregnancy centers. Your baby's mother appreciates the prayers you have said for her and her baby throughout the pregnancy. It hasn't been easy, but your prayers have helped to give her grace to seek the help she needs.

### The Dogmas of the Catholic Church

#### *5 of the 255 Infallibly Declared Dogmas*

- 251) The punishment of Hell lasts for all eternity.
- 252) The souls of the just which, in the moment of death, are burdened with venial sins or temporal punishment due to sins, enter Purgatory.
- 253) At the end of the world Christ will come again in glory to pronounce judgment.
- 254) All the dead will rise again on the last day with their bodies.
- 255) Christ, on His second coming, will judge all men.

## Pastor's Piece

**Dear Folks,**

In our Gospel passage our Lord rebukes Saint Peter with the very harsh words: "Get behind me Satan." If the prince of the apostles can be called Satan then we need to be mindful of how our battles and struggles are not just against the worldly forces but the demons as well. What a great consolation then to have our Lady and her rosary as our protection and our weapon. She is the one who crushes the head of the ancient serpent the devil. May her rosary be in your hand every day.

**May God bless you all!!
