Spiritual Adoption of an Unborn Child

EIGHT MONTH DEVELOPING BABY:
You're in the home stretch with your spiritually adopted baby. He/She is completely formed, and has been since 8 weeks. All he/she is doing now is gaining weight, and making his/her mother uncomfortable with his/her size. Mom, however, is not worried now. In a short time, her baby will be born. She has planned to bring him/her home, or to place him/her for adoption. Either way, she knows she can receive the assistance she needs from the Catholic Church and from the crisis pregnancy centers. Your baby's mother appreciates the prayers you have said for her and her baby throughout the pregnancy. It hasn't been easy, but your prayers have helped to give her grace to seek the help she needs.

Legion of Mary

"... among the many witnesses and teachers of this spirituality (Marian), the figure of St. Louis-Marie Grignion de Montfort, who proposes consecration to Christ through the hands of Mary, is an effective means for Christians to live faithfully their baptismal commitments. (Pope St. John Paul II).

We have discussions on such quotes from the Legion of Mary Handbook every **MONDAY** at 9:15 am in the CCD room off of the Father Albert parish hall. All are welcome!

Pastor's Piece

Dear Folks,

Apparently there are more recent questions about whether or not this is the case but some commentators have posited that the eye of the needle our Lord speaks of was a literal place where the gate into the city was so narrow that in order to get a camel in you had to take off all the baggage and lead the animal in. Even if not the case a great way of capturing that while God gives us all the grace to merit heaven we must cooperate with his grace. We must remove every encumbrance of sin and attachments to the things of the world.

May God bless you all!!
