## Ministry of Mercy (M&M's)

*"Growing in our Catholic Faith through the Works of Mercy"*

The Ministry of Mercy group wishes everyone a very blessed and happy Thanksgiving with family and friends. The M&M's will not meet on Monday, November 22. Our next Monday meeting, November 29, will be a Thanksgiving Breakfast Meeting after the 8:30 am Mass at the Sperryville Trading. All are invited to come and learn more about us.

Our next gathering will be at Julia Neely's cabin on Thursday, December 2, at 10:00 am to assemble senior gifts for December 6 and Joy Luminaries for parish distribution on Gaudete Sunday, December 11-12. Our next Work of Mercy will be visiting the Senior Center on Monday, December 6, at 11:00 am for fellowship and gift giving. Check next week's bulletin for more information.

Our group is actually a parish-wide group. Even if you are unable to come to our weekly meetings on Mondays after the 8:30 Mass, you are welcome to join in any of our activities and if you have any suggestions, we would love to hear them. Contacts are Shirley Franey (540-827-9383), and Julia Neely (703-927-1811). ### Legion of Mary

For the next two weekends, the Legion of Mary will be signing up those who would like to join us in a book study on Father Gailtey's "33 Days to Morning Glory". We will hold these six sessions on Wednesdays at 1 pm, and we will start on Dec.1st, and run through Advent. This will provide you with a focus on what is important during what usually can be a busy and hectic time!

You will need to purchase the book and the workbook, and you can do that by going to [www.allheartsafire.org](http://www.allheartsafire.org): or [shopmercy.org](http://shopmercy.org) or call 1-800-462-7426.

## Going Green: The Physical, Mental, and Emotional Problems Associated with Marijuana

*By Ben Johnson, DailyWire.com*

*Part 2 of 11*

Although scientific studies indicate that marijuana is associated with profound mental illnesses, emotional problems, and physical diseases, a shocking number of Americans believe that weed is harmless or helpful — possibly even a natural cure for cancer.

...That should be concerning for a panoply of reasons, since numerous studies show that marijuana use can harm people in (at least) the following ways:

2: *Shorter life expectancy*: Men who used marijuana heavily in their teen years are 40% more likely to die by the time they reach the age of 60, according to a massive study published in the American Journal of Psychiatry. "Swedish researchers analyzed the records of more than 45,000 men beginning in 1969 and 1970," reported CBS News. "The scientists from the Karolinska Institute in Stockholm reported that 4,000 died during the 42-year follow-up period, and men who'd used marijuana heavily at ages 18 and 19 were 40 percent more likely to die by age 60 compared to guys who hadn't used the drug." Their findings upended previous studies that found no such linkage.

## Pastor's Piece

**Dear Folks,**

As we come to the end of the liturgical year we are reminded to think of our own end and to make sure that we are prepared for it. Please especially look to make good use of the upcoming season of Advent. Confessions, adoration, the rosary... No need to rewrite the book... Just make good use of it. God Bless!
