## Pastor's Piece

**Dear Folks,**

Saint Paul declares to the Colossians that he makes up for the afflictions lacking in Christ. This is at first a very puzzling statement because we firmly believe that God, through His incarnate Son Jesus Christ, is the one that saves us. What Saint Paul is referring to is how God has invented believers to join with His Son both in being the channel by which His grace is transmitted as well as being able to magnify what our Lord has done. He is therefore the source and the power by which we do everything but we truly do have in Christ the opportunity to be Christ to others and thereby increase the number of those who will be saved. God bless you by making you His instruments!

**God Bless!**
