Spiritual Adoption of an Unborn Child

MONTH 8 – Developing Baby -- “I like to listen to my Mommy’s voice!” Spiritual Adoption Program

Now your spiritually adopted baby is finished developing and is concentrating on gaining weight; she might be making her mother uncomfortable with her size. She will need a layer of fat to help her stay warm after she leaves the perfect temperature inside her mother’s womb. For some weeks now she has recognized her mother’s voice. In a short time, her baby will be born. Your baby’s mother appreciated the prayers you have said for her and her baby throughout the pregnancy. It has not been easy, but your prayers have given her the grace she needed to bring her baby to term.

Pastor's Piece

Dear Folks,

May you find the words from Saint Paul to the Hebrews a great consolation. That the Son of God took on flesh makes it manifest to us that He has indeed gone through the same sorts of trials and difficulties that we have. Our God is close to us not only from having made us, but especially from having come down to us and been one of us in this fallen world. We can indeed walk through our difficulties because of Him who strengthens us.

God be with you!

-Fr. Beres
